Technology Assistant

Technology Assistant is a mobile application that allows customers access to help forums, how-to guides, and help videos to make users' lives on the computer easier.

This application is free to download, however, users can purchase the "premium" plan for $1.50/month to gain access to live customer support assistance and a more extensive library of resources.

This app is available on the iOS App Store as well as the Google Play Store for Android. It can also be accessed through a web browser by navigating to https://techassistant.ltwi.net.
